The Religion Clauses of the First Amendment Guarantees of States' Rights?

By Ellis M. West

“This book addresses the question whether the two religion clauses, Establishment and Free Exercise, should be understood as merely ‘jurisdictional,’ that is, as merely precluding Congressional action over religion without conveying any substantive understanding of religious freedom. West has done a thorough job of examining the evidence and demonstrating that the ‘jurisdictional’ interpretation of the religion clauses fails, regardless of what one thinks about using the due process clause of the Fourteenth Amendment to apply the Establishment Clause against the states.”—**Murray Dry**, Charles A. Dana Professor of Political Science, Middlebury College

ABOUT THE BOOK

The First Amendment of the U. S. Constitution begins: “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. . . .” The Supreme Court has consistently held that these words, usually called the “religion clauses,” were meant to prohibit laws that violate religious freedom or equality. In recent years, however, a growing number of constitutional law and history scholars have contended that the religion clauses were not intended to protect religious freedom, but to reserve to the states the right to legislate on religion. If the states’ rights interpretation of the religion clauses were correct and came to be accepted by the Supreme Court, it could profoundly affect the way the Court decides church-state cases involving state laws. It would allow the states to legislate on religion—even to violate religious freedom, discriminate on the basis of religion, or to establish a particular religion. This book carefully, thoroughly, and critically examines all the arguments for such an interpretation and, more importantly, all the available historical evidence. It concludes that the clauses were meant to protect the religious freedom and equality of individuals not states’ rights.

ABOUT THE AUTHOR

Ellis M. West is emeritus professor of political science at the University of Richmond.

Cloth: ISBN 978-0-7391-4677-4 Dec. 2010 250 pages Regular price: ~~\$70.00~~ After discount: \$56.00
